

## Disclaimer:

Because of the dynamic nature of the Internet, any web addresses or links contained in this book may have changed since publication and may no longer be valid. The views expressed in this work are solely those of the author and do not necessarily reflect the views of the publisher, and the publisher hereby disclaims any responsibility for them. The contents of this book are entirely based on the personal experiences and knowledge of the author about various gods, cosmic energy, their powers and characteristics, etc., and derived from the author's insight that he gained by following his inner consciousness and through the guidance from various ancient gods by performing Fire rituals. The principles prescribed herein are not intended to criticize or demotivate any caste, creed, faith, cult, race, belief, customs, rites, and ritual practices. They are not against any spiritual leaders of any persuasion whatsoever. It is up to the individuals' discretion to accept or ignore the concepts explained in this book. The author and publisher assume no responsibility if anyone may feel harmed, hurt, intimidated, or insulted in any manner whatsoever by the contents of this book. This book aims to help humanity upgrade their worship methods to obtain efficient blessings from cosmic energy and the gods in life and the afterlife.
